

Translating Mongolia Since 2011

13 Years of MN Localization

Focusing on **EN <> MN** localization,

Double Check Translation is the leading Mongolian LSP.

Based in Ulaanbaatar, our team of project managers, linguists, and editors have a wealth of experience in delivering the highest quality translations, utilizing all major CAT tools, in large volumes, to strict deadlines, across all professional areas.

4,500,000 Words Translated for Google

IT Localization is our key area of expertise, having translated 4,500,000 words of Google products, and having delivered 500,000 words of IT localization to international clients in 2023.

We also lead the way in contracts and law, banking and finance, mining and geology, as well as in the NGO and development sector.
