

Fala Translations

At Fala Translations we are specialized in translations services between English and Portuguese, bringing more than six years of experience to you. Based in South Africa, we offer business translation, financial translation, translation of official documentation such as marriage certificates, police clearances, death and birth certificates, translation of academic documentation, affidavits, contracts and guides, books and many more to any part of the world.

We are also sworn and registered with the South African Courts as Commissioner of Oaths; therefore, we can authenticate signatures and certify copies.

Mission

Our goal is to provide fast, efficient and cost-effective Portuguese translations services that deliver high quality verified documents to our clientele.

Our translators are carefully selected, guaranteeing the standards of our mission. Our translations are performed by native Portuguese speakers and we are able to offer superior language translations.
