

itbFirst Translation Bureau Presentation

itbFirst is a translation bureau established by a group of professional translators and linguists. It was founded in 2006 in Russia, Moscow Region. Since then we have proved ourselves to be providers of professional services which are performed by trained and competent specialists.

We render translation services for technical, scientific, financial, legal, economic, oil-and-gas and legal documents, as well as localization and interpretation services.

More than 600 large business customers trust us, including:

We offer you to use our translation services from a foreign language into Russian or vice versa.

PRICING	English ↔ Russian
Translating	\$0,07 per source word
Proofreading	\$0,04 per source word
Transcribing	\$3,5 per minute
Transcribing + translation	\$11,75 per minute
Other services	on request

It is always crucial that a person doesn't just know but also loves the language he or she translates into or from. As we are native speakers of Russian and professional translators, we guarantee the highest quality of translation.

We accept the following types of payment:

Qualitative approach is one of our main principles to any task. Work is a true happiness for intelligent, active and constantly developing people. Only by uniting our efforts we can achieve the desired results. We are always nearby: we are real people that are enthusiastic about our work and open to new friends.

Best regards,

Vitaliy Vladimirovich Chevela Director of itbFirst Translation Bureau
