

Profile

Founded in 2002, Qingdao OM Translation Co., Ltd. works with thousands of qualified and experienced native speaking translators, and is therefore here to accelerate your global expansion efforts whether it is a simple translation of a sales brochure or a large software localization project. We handle it all.

From its inception, Qingdao Translation Company has had only one goal - to become the first choice for our worldwide partners and customers who have translation, interpretation, localization or other language services needs.

We always commit ourselves to the development and sustainment of positive customer relationships. We believe that every customer is important and should be treated accordingly. Whether you bring us a simple one-page document for translation or a large software localization project, you will always receive the same excellent treatment from us. We work hard to exceed your expectations and earn your loyalty. When you call us on the phone, you always will be able to talk with a real person, and you never will have to settle for an answering machine. We believe that each satisfied customer will bring us other customers. And this is our objective.

We always seeks:

- to improve service quality
- to enhance customers' image
- to make full use of language advantages
- to provide customers with professional services

Over the past 15 years, Qingdao Translation Agency has specialized in many different types of document translations (legal, medical, technical, financial, and others). We also provide website translation and software localization, business interpreting services, as well as other language related services, such as business services and commercial services. Our company is headquartered in Qingdao City, can translate anything into over 40 languages, provide translation/interpretation service, localization service and business & commercial services throughout China, and has a global network of production facilities.

Our team is comprised of qualified and experienced in-house and freelance linguists, translators, interpreters, proofreaders, quality assurance managers, web programmers, business and commercial service professionals, all with a solid professional background in language translation and interpreting, localization, as well as business services and commercial services.

We provide high-quality services to individuals and all types of companies ranging from small businesses to Fortune 500 companies around the world. We work nationwide and worldwide.
