Head –Projects

S. Gayathri :
Partner & Head – Administration

Introduction

- SS Protelo was formed in 2011 by Shanmugaraj and Shreedharan followed by a team of professionals drawn from a broad range of industries and backgrounds.

- Inspired by the name "Protelo" in Latin which means "to lead", we lead by example in terms of Quality, TAT, Creativity & Reliability.

- Our four pillars are **P**eople, **S**ervice, **Q**uality & **S**ubject matter expertise.

- Each project is custom designed to ensure creativity and efficiency.

- We are committed to provide you with the highest quality translations at competitive prices in the industry.

contd…

- One stop solution for translation, localization, digitization , pre-press & pre-media services..
- We render subject matter expertise in several areas of education, e-learning, translation, user manuals and much more.
- We offer interpretation services for a range of languages including prominent Indian and foreign languages.

The Vision

To be the global leaders in customized solutions and maintain standards of excellence with highest level of quality translations.

The Mission

Our mission is to offer best quality multilingual translation and localization services with an objective to build long-term and strategic relationships with our clients by providing outstanding customer service and customized solutions to them with unparalleled turn around time.
