PEN

Translation agency PEN: low-cost translation service provider

Low-cost translations tailored to your needs

PEN is a European provider of quality and quick translations at extremely affordable prices. You can choose between more affordable translations, which are intended for the general understanding of texts and internal use, as well as translations in which we prepare proofread text for you that are suitable for publication.

How are these translations different?

All translations are made by professional translators of the target language. **Our translations may**, in addition to the translation itself, also include professional proofreading of your text. The final text is thus reviewed by proof-reader and field expert.

Why are our translations so affordable?

- Use of cutting edge technology
- Translation is tailored to customer's needs
- A wide range of translators and proof-readers
- Experienced and quick translators
- Administration optimisation
- Simple offer and focus on the basic service
