SERVICES

NOTHING IS UNTRANSLATABLE

WHY TRANSLEXI?

Research & Discussion

Research and Discussion are a set of behaviors we apply as a standard. Our translation team is accustomed to doing research before and during proceeding with the translation process. A regular meeting between translators and their dedicated editors is also a key feature that contributes to high quality.

IN TRANSLEXI, WE CALL IT A HABIT.

CAT - Tools

In the current world of translation industry, the use of Computer Aided Translation Tools (CAT-Tools) has become a common best practice to ensure consistency and also to achieve cost-efficient service usage in a long term.

**BUILD YOUR TRANSLATION MEMORY WITH TRANSLEXI,
AND YOU WILL SEE HOW MUCH YOU CAN SAVE IN A LONG RUN.**

Quality Assurance

Our service is a complete package of Translation and Review. We guarantee all projects are handled by human translators and their dedicated editors.

Upon request, we can provide you with deliverables consisting a package of:

- draft translation
