Summary

I want to briefly introduce myself and let you know that I'm currently available to help additional clients. My name is Amr. I am an experienced English to Arabic translator.

A little about me, I can offer:

- Services: Translation, MTPE and subtitling
- Expertise: Legal, Financial, Patent, Academic, Judicial and Medical
- Arabic Native
- Working in translation since 2010
- Can translate 3000-5000 words per day
- References upon request

I have translated more than 500k words over the last year. Domains include legal, financial, E-commerce, marketing, academic, medical, and many more fields. I strictly commit myself to deadlines and high quality.

For more details, kindly find attached my latest CV.

My experience, high quality output and commitment to deadlines give me confidence and qualify me to handle your translation request professionally.

I'm ready to undergo a small free test of your choice.
