## Languages

I am a fluent English and Italian speaker. I can communicate in Russian at an intermediate level, while my level of French, Spanish and Lithuanian language is basic.

On 07/03/2017 I got the IELTS certification (overall score: 7.5)

## Skills

I believe I am a responsible enthusiastic student and researcher. I am eager to learn more and willing to improve myself. I can autonomously organize my study but also work in a group, sharing opinions and learning from each other. I am open minded and curious of what *alter* is, considering differences as value. Most of all, I am interested in cultural identities and their development.

## Other skills

Thanks to the Computer Science course at the university of Urbino, I have good digital competences. I can use the Word pack, the main research browsers and the following operative systems: Windows 2000 / XP / Vista / 7 / 8 / 8.1 / 10.
