

Jefferson Azevedo

Translator, Technical Writer, and Editor

PERSONAL PROFILE

Freelance translator for the Organization of American States (OAS). Translator and interpreter since 2003, with academic and professional experience in the United States, France, Uruguay, and Brazil. Native fluency in U.S. English and Brazilian Portuguese, fluent in Spanish and French. Participation in major projects for industry-leading players in the Financial, Energy, Technology, Medical, Marketing, Business Management, and Legal domains.

Highly efficient in Word Processing, Copy-Editing, Proofreading, and Machine Translation Post-Editing (MTPE). Skilled in multiple CAT and LQA tools, comfortable using different Translation Software Management and Project Management platforms. Superior communication, research, and analytical skills, as a result of a multicultural background in journalism and years acquiring expert knowledge in complex areas in short periods of time, in order to process information and deliver detail-oriented, competent translations. Experience managing translation, business administration, and engineering projects.
