<i>Name</i>	<i>Hu Kaiwei</i>	<i>Language</i>	<i>Chinese and English</i>
-------------	------------------	-----------------	----------------------------

I have worked as lead translator for a number of clients

Average of 120,000 Chinese characters/English words per month

I used to teach English in a college and work as CEO assistant at a foreign-invested company; began full-time freelance translation in 2008. Translation work encompasses law, finance, architecture, electro-mechanics, electric power, computer, mineralogy and mining etc.

Best in legal documents, geological papers, oil and gas exploration, electric power (ranging from coal-fired power plants to wind farms and nuclear and solar power projects), all sorts of bidding documents, computer simulation, and SCI academic reports.

Following is a list of some of the tasks completed over the past 10 years:
