Objective

To become experienced at translating texts into Spanish, English, and Russian. To apply the knowledge of languages, especially grammar, that I acquired through the past years of study.

Experience

English tourist guide

2007

I worked as a guide with groups of American tourists that came to my city. I led city tours and answer to their questions about the history, geography, flora and fauna of the region.

English teacher

2005-

I taught English at different education levels, kindergarden, primary school, middle school, and at university too, in my country and abroad.

Spanish teacher

2013-2016

I taught Spanish to adult foreigners in the Russian Federation in an academy and at university as well. I am currently teaching my native language to an American immigrant.

Education

English teacher

2000-2005

I got my degree at the Private Religious Institute N° 4020 San Roque in my hometown with an average mark of 4 (1-5).

Education Policy Specialist

2010-2012

Postgrad studies at the University Torcuato Di Tella in the field of education. Average mark: A-.

Communication Master

2013-2015

At the Samara State University in the Russian Federation, I got my Master degree in Theory and Practice of Communication. Average mark: 4,5 (1-5).

Russian Course

2013

I completed a one-year course in Russian language before entering university in the Russian Federation.
