### **Professional Summary**

Graduated English- Hungarian, Hungarian- English translator, with some really useful experience in the field of translation. During my university years, and since I finished my studies, I translated form different type of texts. I translated pharmaceutical, technical, autobiographical texts. I would like to know more kind of texts, and get some more experience. For me translation is a profession.

### **Skills**

I am a native Hungarian speaker, fluent in English and I also speak in Romanian. Experienced with computer programs, like Microsoft Office, Memoq. Specially attentive to my work, I have the abality to learn things fast.

### **Work Experience**

® Translate written and verbal communication between English- Hungarian at the Alter-Native Short Film Festival, in Targu-Mures.

® I fulfil the proofreader's role in the traineeship of the Sapientia EMTE

® As a communication assistant translated some autobiographical text, and translated the website into Hungarian

®During the university period, I translated thesis abstracts.

® In recent years I worked with two translation agency.

### **Education**

Sapientia EMTE – Hungarian University of Transylvania, Faculty Of Technical and Human Sciences,  
Translation and Interpretation.

### **Hobbies and Interests**

Voracious reader, for me the best way to relax. I also interested in other cultures and languages.
