 12 Bonamour Avenue Bulwer, Berea Durban 4083

Objective

As a Chemical Operator with nearly two years of experience, I am seeking the opportunity to serve as a Junior Operator at the leading tank terminal by handling all products with care and excellent service. I am eager to use my proven cross-function skills to continue the company's legacy of being the World's leading independent tank storage, taking pride in storing vital products with care. I will be responsible in ensuring efficient and safe arrival and departure processes for a growing world population.
