Why me?

I'm a native speaker of Hindi residing in Aligarh, a city in north Indian state, Uttar Pradesh since birth. I have good command over both the languages viz. English and Hindi. I can fluently work in both, Unicode (Mangal, Arial Unicode MS etc.) and Non-Unicode (KrutiDev, Walkman Chanakya etc.) fonts. I have utmost tendency to work as accurately as possible. I enjoy working on computer, surfing the net.

Education

- DOEACC Centre, Delhi - 2005 - A Level (Bioinformatics)
- Dr. Bheem Rao Ambedkar University, Agra - 2003 - B. Pharm.

Current job status

I'm working as a full-time freelance translator since March, 2012. I've an experience of about 2 million+ words.

Areas of Specialization/Experience

E-learning, Pharmacy, Medicine, Engineering, Information Technology, Statistics, Education, Software localization, Telecommunications, Energy, Travel & Tourism, Documentaries, Environment, Physics, Chemistry, Biology, Political Science, Automotive, Machinery, Health, Finance, Accounts, Legal Contracts, Annual Reports, Press releases, Newsletters and many more diverse works.

Tools Available with me

MS-Office; Adobe Acrobat; TRADOS 2011; ACROSS, POEdit.
