DIFFERENTIATORS

As a company specialized in inter-cultural communication, we add value in each of our 6 pillars:

TECHNOLOGY

With top-notch Computer-Assisted - Translation tools, we are able to accelerate production times and minimize human error.

TIME

A reliable team willing to do their best to meet your deadlines and requirements.

QUALITY

We abide by ASTM standard and follow a strict Translation + Editing + Proofreading procedure.

PRICE

Technology, time quality, and price are not incompatible when you work with passion. We'll tailor the process according to your budget.

RELIABILITY

Each project is as a unique opportunity to excel! We will always be there to go the extra mile to guarantee the best result in your communication.

CUSTOMER RETENTION

We partner with our clients to find optimal solutions. Customers' satisfaction is the key of our success and permanent growth.

TESTIMONIALS

A fantastic team with on time delivery and perfect work. We don't have to worry about our projects when they are being handled by Baquero Translations.

BT has been a long time trustworthy partner of us, their project managers and linguists are highly responsive and capable... They spare no efforts and have always impressed us with their supreme quality

BT has been able to help me with fast-turnaround projects. We have worked together on several challenging requests as well, and their team has always gone out of their way to help out. I am extremely satisfied with their work.
