## Summary

Welcome to my profile! I'm Roland, a passionate freelance translator dedicated to breaking down language barriers and facilitating effective communication across cultures.

With 21 of experience in the translation industry, I specialize in French, English and Mossi, offering precise and culturally nuanced translations tailored to meet the specific needs of each project.

Whether it's translating documents, websites, or multimedia content, I ensure that the essence and tone of the original message are preserved while delivering polished, professional translations.

Let's connect and discuss how I can help you bridge linguistic gaps and reach a global audience effectively.
