

[Sage Languages Pte Ltd](#) is translation services company in Singapore. It is founded on the core belief that translation services could be provided at a **more affordable price** while still **maintaining quality**. We are positioned to give our customers what they need to produce better results from their translation and localization strategies at a much lower cost.

Our core team, which comprises of language, technology, project management and business professionals has more than 40 years of collective experience providing translation services, helping companies communicate and conduct business in any language and in any locale. We do this by providing an array of language translation services and language related services including:

- Document Translation Service
- Website Translation/Localization Service
- Certified Translation Service
- Document Editing Service
- Technical Writing Service
- Layout and Print Service

[Our CEO](#) is an industry veteran who has over 20 years of experience in the translation services industry. She co-founded Lingua Tech (S) Pte Ltd in 1996, Translation Express Pte Ltd in 2005 and Global Communications Business Group in 2009. Prior to founding Sage Languages, she has worked with hundreds of companies and helping them achieve their translation and localization goals.

These companies include:

- Alexandra Hospital
- Binatone
- Canon
- Health Promotion Board
- Motorola
- Nestle
- Paraxel
- Porsche Asia Pacific
- Philips
- Raffles Hotel
- Rentokil
- Sanofi
- Singtel
- Suncorp
- Temasek Holdings

- Pfizer
- Vtech
- Wyeth

She is well-experienced in nearly every facet of the translation services and localization business, including translation, editing, project management, quality management, vendor qualification, workflow and process management. She is also an experienced editor of English, Chinese and Japanese translations.

At [Sage Languages](#), we know what the real translation and localization challenges are, what is common practice, what is best practice, and what are the keys to a successful global strategy. We have therefore packaged this experience into all of our practices, approaches and services.

Our mission is:

To meet and exceed customers' requirements with timely delivery of quality services at affordable prices through continual improvement in our processes, technology and competency.

Whatever the size of your organization, whether you are an SME, MNC, Government Body or Charitable Organization, and wherever you are based in the world, we apply the same level of commitment and service to everyone.
