We are a translation company providing translation, localization and - interpreting services in a broad range of fields and languages. Our translators and interpreters are experts in their native language and their second language, competent in their specific fields and have .many years of professional experience

At **Targmly** we have professionals available who are capable of - undertaking translation jobs of any size, focusing on the needs of each and every client regarding text types, areas of specialization, technical .requirements and languages

Our translation team has the linguistic skills and abilities - necessary to solve your communication needs, thanks to their many years of professional experience and perfect command of their .source language

Moreover, to ensure the quality of each translation project, we choose - the right translator for each client and we assign a backup team of translators, if necessary. Thanks to these teams of highly qualified professional linguists, we are able to undertake any project, whether a .500-page technical manual or a 4-page product description

**Targmly** allows your company to reach international markets by - .means of specialized translations in several areas and languages

### **Objective**

Our objective is to provide the highest level of language translation services. Each task is carried out by professionals who provide translation services that are technically accurate according to your .specifications; all while meeting the deadlines and approved budgets

## Our Services

The credibility and service quality associated with **Targmly** service can only be attributed to years of commitment to flawless and seamless operations, .extensive experience, hands-on know-how and passion

## I- Translation Services

Our highly skilled professional translators, with long UN experience, are qualified bilingual native speakers. Our extensive network of professional translators provide written translation on any subject matter, technical, legal, .medical, financial and more

All standard translations pass through a two-tier level of translation starting with the initial translation, revision, proofreading and finally editing, to ensure cultural accuracy and to provide the highest possible linguistic quality in a current cultural context. **Targmly** translators are selected based on their experience and areas of expertise (legal, economic, finance, etc) offering translation to and from many languages including: Arabic, English, French, Spanish, Italian, German, Chinese and Japanese. Our thorough selection process ensures the delivery of services that meet and exceed our clients' expectations. We take seriously the deadline set for any translation .assignment

## II- Website translation

At **Targmly** we can translate image, markup text, Search engine optimization (SEO), social media, and metadata for your website into multiple languages, and return everything ready-for-uploading. We are proficient in most Internet programming languages and can be counted on to retouch images with embedded texts, to translate keyword lists for recognition in foreign-language search engines, and to record professional voiceovers and sound bites for .any multimedia content

## III- Conference Management ,Interpretation Services

### ?Are you organizing a conference

**Targmly** is the answer. Taking charge of event and conference management from A to Z whether it is a local or international event, large or small. Services cover concept and theme creation, planning, itineraries, print materials, website, F&B arrangements, social functions, registration, press rooms and internet connectivity, interpretation services, accommodation and .transportation, audio and visual equipment

## Quick Response

A phone call or an email will give you access to our team's advice and or quotation. We will immediately put you in touch with those who can best respond to your inquiries and act as your consultant on all matters pertaining to your event

### **Quality**

Every client expects a translation agency to guarantee the highest possible translation quality. Quality is our priority; therefore, our linguists undergo initial testing and constant reevaluation

:All our efforts are targeted to assuring the highest quality. To achieve this goal No matter the volume, our translations are rigorously checked to ensure the greatest accuracy

### **Confidentiality**

Confidentiality is a key issue for us. We understand your business is that... your business. Therefore, all documents handed over to our agency are treated with the strictest confidentiality

Our translators are bound by non-disclosure agreements, since we often deal with sensitive, confidential and pre-released material during the translation process. We always take every precaution necessary to keep your data safe and secure

Moreover, information on our clients and their activities is also confidential. Therefore, we do not make it public on our Web-site

**Targmly** can provide what you need... when you need it
