## Brief History

The Learning Hub was founded in May 2014. Its first work was providing translation for local businesses and companies in Myanmar. In November 2015, it provided interpretation services to international journalists and expanded its services to international clients. In 2016, it worked with Hansem Eug (Vietnam) and provided translation and proofreading services for more than 1,000, 000 of words. In 2018, it worked with Stella Del Mattino (Italy) and translated over 200,000 words of Christianity content. In 2019, it worked with TransPefect (Spain) and localized over 350,000 of words into Shan language. In 2020 and 2021, it worked with East African Language Solutions (Kenya) and localized over 200, 000 words into Sagaw Karen.
