Our Service History

12 Years of Experience With Alot of Client

About Us

If professional translators or interpreter of worldwide high quality, fastest delivery, and lowest cost is the one that you are looking for, then, you are looking at the right company.

We are a leading, translating and localization company in Indonesia, with freelancer that mastery in 50+ languages : Japanese, English, China (Mandarin), Korea, Germany, Arabic, France, Spain, Bahasa Indonesia, Malay, Thai, Hindi, Tagalog end others, have an extensive experience (Translation, localization and Interpreting) with handling intense translation business and interpreter in technical, logal, finance, IT, Website, localization, technical meetings, training, reviewing, research, etc. at leading organizations and manufacturing company (Panasonic, Daikin, Honda, Toyota, Nissan, Toshiba, Denso, JETRO, Yamaha, etc).

In all of these cases, the clients were very satisfied with both my interpreting and or translation technical understanding of the subject. We do not simply "translate" word for word, but rather first "understand" the technical content and then translate.

We are capable of deciphering subtle nuances in the language. With this way, you will feel as if your clients/colleagues are speaking to you in your clear word. Our service are Interpreting and side-duties such as assisting sightseeing, investigation, research, finding of potential customers/partners, assisting initial negotiations, making appointments, etc.

We can serve you wherever you need all of the world, such as serve you the product on your desk.

History

Established in 2007, we maintain three offices in Indonesia (Jakarta, Surabaya and Semarang) staffed with 65+ of language professionals, translators, interpreters and in-house domain experts. Our multicultural team of web, translation, localization, design, copywriting and industry experts can help you achieve localized and translated success.

Translators Global Languages is a specialized on Translation, localization and interpreter service company, one of leading Translation Localization in Indonesia, and ongoing registration process of implementation of ISO 9001 : 2015, ISO 17100 : 2015 & ISO/IEC 201 : 2013, and also other certification associations around the world.

As leading of Translation, Localization and interpreter Service Company, we are a multilingual translation of multicultural web and software of program that will bring localized success to leading global brands. We have over 12 years of experience in servicing the software such as advertising, programming, gaming and web production, it will support our clients in making their program and software content engaging to the target audience in new markets.
