# VIDEO TRANSCRIPTION SERVICES WE OFFER

## TRANSCRIPTION FOR SUBTITLING:

When producing a film, editing a video, or creating a commercial for advertisement purposes, offering subtitles to the viewer is an important thing to consider. Our Transcription for Subtitling Services include: motion pictures, short films, commercials, and post-production work.

## ADVERTISEMENT.

Thousands of advertisements are broadcasted each day in a variety of formats. Our Advertisement Transcription Services include video advertisements and audio advertisements.

## DOCUMENTARY AND FILM:

Our Documentary and Film Transcription Services include: commercial movies, art movies, short films, educational documentaries, research documentaries, medical documentaries, historical documentaries, medical documentaries, historical documentaries, sports documentaries, religious documentaries, music and art documentaries, science and engineering documentaries, product documentation and demos, and travel videos.

## VIDEO CONFERENCE CALL:

Our Video Conference Call Transcription Services include: legal video conference, focus

group video conference, online video conference, one-on-one video conference, and multi-point video conference.

## SURVEILLANCE RECORDING:

The industries of law-enforcement, education, and real estate use audio and video surveillances consistently. Our Surveillance Recording Transcription Services are designed to match the needs of your industry and include audio and video surveillance transcription.

## TELEVISION SERIES:

Our Television Series Transcription Services include: educational programming, from documentaries to reality TV shows; entertainment, transcribing any entertainment programs including sitcoms, dramas, and made-for-TV movies or game shows; sports, for sporting events both live and recorded; news broadcasts, for producing and performing news broadcasts; and recordings and interviews, for televised recordings and interviews.

## ANIMATION:

Animation transcription is vital when operating an animation studio, cartoon TV channel, or film production house for storyboards and storytelling methods. Our Animation Transcription Services include animation storyboards and storytelling.

## WEBINAR:

Our Webinar Transcription Services include: educational webinars, business webinars, training sessions' webinars, religious webinars, event promotions, product launch, product and service promotion, Q&A sessions, interactive webinars, and non-interactive webinars.
