Psychology

Trustworthy English-Danish translator with almost a lifetime of experience in health and fitness + five years of proficiency in e-Commerce.

- **Keen Ear for Language:** A unique talent for recognizing and rectifying language differences between English and Danish after 4 years of working in the Danish customer service team for an international company.
- **Native Speaker:** Native Danish background ensures a great understanding of the language's nuances, delivering translations with native-like fluency.
- **Exceptional Vocabulary:** A rich vocabulary in both languages after years of traveling back and forth between Denmark and The United States, which enhances the clarity and effectiveness of translations.

EXPERIENCE

- Personal trainer in a specialized gym, focusing on strength development and effective injury recovery.
- Danish customer service for an international company.
- Sales representative in both English and Danish in tourist areas.
- Running an online ecommerce business, selling to customers in both Denmark and the US.

EDUCATION

- Freelance translation course at The Translation Academy 2023.
- In-depth personal training education, Physiology, Nutrition, Endocrinology and specialized coaching, 2017-2019.
