Summary

Project Management Specialist with over 15 years of successful experience in Construction Project Planning, Execution, and Management. Organized and dependable candidate successful at managing multiple professional challenges utilizing my inherent leadership abilities, coaching approach, and management skills. I started my career as a Land Surveyor, Since then, I've had many different roles, but Project Management is my passion because it brings all of the disciplines together to deliver amazing outcomes for the customers and equally value-driven results for the business. I'm a Philomath and self-motivated person, I speak four languages which include, Persian, Spanish, Turkish, and English. Being part of diverse culture is fascinating to me.
