ENGLISH INTO BRAZILIAN PORTUGUESE TRANSLATOR

## PROFILE

Native Brazilian Portuguese speaker. Translator of the EN<>PT-BR language pair. Nutrition student in the last semester, finishing up the last internship to graduate.

Currently part of NutritionFacts.org team, voluntarily contributing to the translation and subtitling of short videos on the latest in nutritional research. Voluntarily contributed to the translation of subtitles for video courses for Coursera's Global Translation Community, having translated over 15,000 words at high quality. Translated 2 books from the renowned author D.S.Pais, distributed by Babelcube, Inc. Done some translation and subtitling for Amara.org.

Building a career as a translator, specializing in technical translations of medical sciences and life sciences, such as the ones involving nutrition, physiology, biochemistry and so on. Interested in subtitling videos, currently studying, as well as doing courses to learn more and improve skills.

Bringing forth an excellent command of English language. Adept in accurately assessing the context of material and translating it in an understandable and appropriate way. Bringing forth a positive work ethic and a commitment to efficiency and integrity.
