## phD programme in Sustainable Industrial Chemistry

STUDIES APPLIED FOR

WORK EXPERIENCE

- Chemist**  
Institute of Public Health, Tirana (Albania)  
1 Jun 2010–9 Sep 2013  
Analysis of food, land, environment etc by gas-chromatography.  
Researching,
- Chemical science technician**  
Faculty of Pharmacy, University of Medicine, Tirana (Albania)  
19 Dec 2014–Present  
Teaching students of how to work in the lab.  
Managing the chemicals and preparing the solutions.  
Helping students for a research on the lab etc

EDUCATION AND TRAINING

- General Chemist**  
Faculty of Natural Science, University of Tirana, Tirana (Albania)  
Oct 2004–Jul 2009
- Qualification on Toxicology Lab**  
Hospital Center of "Mother Theresa", Tirana (Albania)  
Jun 2012–Feb 2013

Common European Framework of Reference for Languages

**Communication skills** I am a very communicative person which is based by the tolerance and the flexibility.

**Organisational / managerial skills**

- I am a organised person in general because I like to do thing step by step and in the right time.
- good team-leading skills gained as a researcher, organizing all parts of a study
- managing all the necessary chemicals and equipment needed for a study

All my job is documented in my scientific job: Published in International Conferences and Journals; ▪ 01/09/2008 - 03/09/2008 organizer and participant of the Congress of Alb-science.

**Tirana, Albania.**

2. 22/09/2010 - 09/25/2010, "Rural-Health Congress" participation in Tirana, Albania.

3. 12.04.2011 - 14.04.2011, Participation in the training course, "Environmental Medicine and Risk Assessment", held in the Institute of Public Health.

4. 26.01.2011 - 4.02.2011, participation in the training course "Protecting Health from Climate Change in Albania" Tirana, Albania.

5. 6 to 7 May 2013, participation in the International Conference of Public Health. "Non-communicable diseases, public health challenges." Tirana.

6. May 31st-5<sup>th</sup> June 2013, participation in the Third International Conference of Ecosystems. ICE 2013. Tirana.

7. 26 January -4 February, participation in training module Environmental Health "Protecting Health from Climate Change in Albania". Organized by the Ministry of Health and WHO (World Health Organization). Tirana.

8. 24-25 May 2013, participation in the First International "Research and Education-Towards the Future Challenges". ICRA 2013. Donegal.

9. Februar 2015, participation in the conference: "The reaction of the organism to basic nutritional foods of explosive factors in the pediatric age and autism syndrome".

10. 28-31 August 2015, Participation to the Conference of Institute of Alb-Shkeca, held in Macedonia, Scopje.

"The study of the organochlorine pesticides in vegetable in the Albanian markets."

11. Published article to the Journal of the Faculty of Natural Sciences, 2013 the article:

"The study of organochlorine pesticides in breast milk and the impact on health, Tirana"

12. Published article to the International Conference held in 2-4 May 2015, at the University of Agriculture of Tirana: " Available nutrients anions (nitrogen and phosphorus) in soils of the village of Borizane (between the two fabrics cement and Titane), Fushe-Kruja. "

13. Published article to the International Conference held in 2-4 May 2015, at the University of Agriculture of Tirana: " Available nutrients anions (nitrogen and phosphorus) in soils of the village of Zalle (next to the fabric of cement), Fushe-Kruja. "

14. Published article to the International Conference of The Institute of Alb-Shkenca, held in 28-30 August 2015, Skopje, Macedonia: " Available nutrients anions (nitrogen and phosphorus) in soils of the village of Borizane (between the two fabrics cement and Titane), Fushe-Kruja. "

15. Published article to the Alb-Science Institute, 28-30 August, 2015 Skopje Macedonia: " The organic chlorine pesticides in potatoes of the markets of Tirana, Albania"

**Job-related skills** I do my job with passion because science, research and lab is a real passion to me.

- laying methods, applying methods,

- validation of methods, researching methods

I have participated in International Conferences and Trainings :

▪ 01/09/2008 - 03/09/2008 organizer and participant of the Congress of Alb-science.

**Tirana, Albania.**

2. 22/09/2010 - 09/25/2010, "Rural-Health Congress" participation in Tirana, Albania.
3. 12.04.2011 - 14.04.2011, Participation in the training course, "Environmental Medicine and Risk Assessment", held in the Institute of Public Health.
