Profile

I am currently a Learning Intervention Focused Tutor in the American International School of Bucharest. I am also leading 900 ST. Incorporated, a Publishing and Education Company, still based in Bucharest, Romania. I did my MA in Translation and Interpreting: English Language in Lucian Blaga University of Sibiu in Romania. My passion for writing allows me to be an adapted screenplay writer in a marketing firm/media services based in Hollywood, California, USA. I am also an academic writer helping students in their dissertations in UK universities. My unending love for the English Language, an ardent zeal for Linguistics and Translation, passion for Academic and Creative Writing, and developing interest for Film and Media give me the chances to freelance in different online websites.

My Love is Not Fragile (The TRILOGY Book of Apology)

OVERVIEW:

SOMEWHERE AT THE OTHER SIDE OF THE WORLD, THERE IS LOVE – AND I FOUND IT. BUT ALONG WITH IT, THERE IS PARTING – AND IT HAPPENED.

MY LOVE IS NOT FRAGILE – The TRILOGY Book of Apology consists of three

books - LOVE, LOSS and PAIN.

The Book of LOVE is a mesmerizing and butterfly-filled story. It captures enthralling moments showing how romantic love appears in a way we can't conceptualize.

The Book of LOSS is a discovering story of feelings and emotions we tend to come across. It is a book about a battle that we choose to fight, and coming to terms with the reality of fear.

The Book of PAIN is an inspiring story of survival and triumph amidst the presence of internal wounds, and finding a perfect place in the greater scheme of things by moving forward.

MY LOVE IS NOT FRAGILE expresses a delicate heart's voice about understanding, acceptance and forgiveness brought by the love of God.

To the Ends of the Earth

OVERVIEW:

A YOUNG GIRL, LEFT ALONE, HAS TO EMBARK A LONG AND HEARTWARMING ADVENTURE IN SEARCH FOR CLUES OF HER MISSING FATHER.

Following her father's sudden disappearance, Seraphina, a human being from the World of Gridiron is taken to the Regulus World. In pursuit to find her father, she journeys to the World of Aerglo together with her friend, Octavia, a butterfly. Reaching the World of Aerglo gives her menacing adventures that exhibit her determination and strength. TO THE ENDS OF THE EARTH is an exciting, heart pounding story of a young lady who is willing to do everything for the sake of her father. It demonstrates how far someone can go in the name of love. The adventures in the book show bewildering character traits as indispensable to the motivation needed in the search. Sacrifices, selfless love, and the willingness to put the needs of someone before one's own are highly given importance as Seraphina unravels the way back to her father's arms. Together, Seraphina and Octavia conquered severe austerity as they journey together to the ends of the earth.
