### Personal Summary

I am Daniel Lal Cung Nung, I have work experiences in translation since I was studied here in India 2012, and also I have some experiences for the past 7 years working as Project Manager, Officer and Coordinator in two organizations. Moreover, I have experience for another 3 years in US based Home security sales service center/ call center at New Delhi, India. Finally and importantly, I strongly admitted that I have writing, translating and reporting experiences in the organization and diversified community in India and Myanmar back in the day. Once again, I am more than ready and available for any translation jobs if you would give me a chance.

### Skills Summary

I have good and effective point on interpretation, Verbal and No-verbal Translation, Project Management and Monitoring & Evaluation, Social Communication, Public engagement, Critical thinking and Creative idea, Complex problem solver, Public networking and Coordination.

### Experiences Summary
