Freelance Works

VerboLabs (Availability based on projects)

I have been working for VerboLabs company for almost 1 year. Fortunately, I have been getting offers from them for different kinds of projects like Metadata, Article Translation, Movie Subtitling, Proof reading and some Voice over also.

PROJECTS

- **SUBTITLING**

1. I've translated so many subtitles from English to Telugu. It is a online CAT tool basically I've worked on.

- **Metadata**

 I've translated and transliterated so many projects related to health awareness, ETFs and business addresses.

- **Proof Reading.**

Worked on so many projects for proofreading, in Metadata and subtitling as well.

TECHNICAL SKILLS

- **CAT TOOLS:** So many are available now a days. Worked on some of them.

About my self: I've good computer knowledge and skill. I know both Telugu and English very well. My typing speed reaches 48 words per minute. I would like to share my knowledge on new projects and get more experience on them.
