WORK EXPERIENCE

PROFESSIONAL GERMAN TRANSLATOR July 2021

Professional German Translator | Dec 2021
Honeywell International Inc

Using my fluent German skills, I offer precise translations for diverse content such as technical manuals, marketing materials, contracts, and internal communications. I excel in translating intricate technical ideas and industry jargon within aerospace, building technologies, PMT, safety, and productivity solutions sectors, ensuring clear and concise German texts.

PROFESSIONAL GERMAN TRANSLATOR April 2021

P | ZF Friedrichshafen AG July 2023

My key responsibilities was providing accurate translation and I translated a wide range of materials, including technical specifications, user manuals, marketing collateral, and legal documents, from German to English and vice versa. Precise translations are essential to maintain consistency and clarity across all communications and to ensure accurate comprehension among the diverse stakeholders.

PROFILE

Experienced native German, Dutch, English and Spanish translator with a focus on accuracy and captivating translations. Specializing in various industries, I can help you expand your target audience and establish a strong connection with Dutch and German markets. Timely delivery and effective communication are my priorities. Contact me to discuss your specific needs.
