Profile

I am a very active person and I love being involved in different kinds of projects at the same time. Language and linguistics have been my interest for some time now, and I really have had good opportunities to develop my skills in this area and learn a bit more about them, specially the english language. I am looking, thus, for jobs and tasks that will help me to acquire even more experience and knowledge in this area.

Education

* *English and Portuguese languages and literature* - 2009 to Present at Centro Universitário Unieuro (college)

Work Experience

* **English Teacher** since 2011 at Mr Lincoln English School

* **Freelance Portuguese/English** translator for local magazines and newspapers

* Volunter service - **Jehovah's Witnesses' Full-time minister** since 2010, with experience in helping english-speaking people who live in Brazil.
