

# Galata Girmaye Darkushe<sub>(Translator/Transcriber)</sub>

Msc student at Addis Ababa science and technology university focused on software engineering. I am native Oromo speaker and experienced translator/transcriber basically on localization/globalization jobs related to Oromo as well as Amharic Languages.

It is with great pleasure while I present my resume looking forward to working with your company.

## **Personal Review:**

I am organized, hardworking, visionary, team-oriented, accountable and willing to work anywhere and at any time.

## **Skill:**

- ✓ Native and Professional level of speaking, reading, writing and listening ability mainly in three languages. Namely, Afaan Oromo, Amharic and English.
- ✓ Proficiency at working on any software related with word processing. Specially, Microsoft Office
- ✓ Familiar with online translation as well as transcription software like MemSource, LOFT, Trados studio ....

## **Experiences:**

- *Freelance Translator at **Lisan**. May,2021-now*
- *Freelance Translator at **Yeroo Localize**. July,2021-now*
- *Freelance Transcriber at **Transcribe Africa**.*
- Subcontractor under translation tasks given by **Riya** Translation and **Annotated** Translations.

## **What makes me different,**
