

Georges Mendes

PROFILE

I am a Portuguese Language Services Provider specialized in English and French with a Master's Degree. I am currently looking for a translator, linguist or technical writer position in a company where I can put to good use all the skills that I have acquired through my experience working in this and other fields.

QUALIFICATIONS

- University of Aveiro 2010-2015
- Masters Degree in Specialized Translation, Health and Life Sciences field.
 - Translation Degree

EXPERIENCE

- Efacec** 2018- Present
 Technical Documentation Manager: Working as a Documentation Manager helped boost my interest in the Technical Writing field. I was in charge of the translation, editing, revision and management of documents in the Automation Business Unit. This experience introduced me to a fast paced and challenging environment where delivering the highest quality and compliant texts was a must in every single occasion. I developed skills and methods that allowed to manage my workload efficiently and deliver the best solution to every documentation request.
- Freelance Translator** 2012 - Present
 Experience in several fields: marketing, technical, pharmaceutical and health.
- Word-way** 2016 - 2018
 In-house technical translator
- Cinemas NOS** 2013-2016
