Summary

An Enthusiastic and accomplished professional with 2+ years hands on experience in Freelance Translation in language pair English-Tamil-English. I am passionate about providing high quality error free translation in the target language. I am a native Tamil speaker with 15 years of learning of the language grammatically. Have been part of Finance industry in the years prior to translation which has provided an eye for detail & thorough analysis. I believe in researching the subject matter of the Source provided and perform relevant translation as required. I am well versed in MS office tools and willing to learn about online translation tools when needed.
