About me:

I am very happy for this opportunity and to be able to apply to this job. At the moment I live in Tuzla, but as you can see, I have a lot of experience outside of Bosnia too. Now that we finally have beaten Corona I would be very happy to socialize more and work for your company. I think we can contribute to each other on both sides and have excellent cooperation in the future.

After my Bachelor studies I decided to do my master thesis in the fields of sociology, pedagogy and psychology.

Bachelor of English Language and Literature, Tuzla

2009 - 2013

Studies of humanities and social sciences at the University of Tuzla specifically at the Department of English Language and Literature.

Additional Skills:

Driving License

I got my driving license about 10 years ago and I drive daily.

Turkish Language

I used to live in Turkey for about 5 years and used the language professionally every day.

Advanced IT knowledge

During the Corona period I used that time to do a lot of advanced IT courses over LinkedIn.

MS Office

Using MS Office actively (Word, Powerpoint, Excel,...) since my highschool days.

SEO Expert certificate

Did some lessons and got a certificate for SEO writing (to be placed better on search engines).

Marketing experience

In Turkey I worked for companies like Elite Housing where I gathered a lot of marketing skills.

Communication Skills

Since I was a kid I loved to ask questions and talk to people. After the psychology and pedagogy classes in college even more. Long story short, I love to talk.

Team coordination and leading skills

Lead a lot of teams in college, and even more during my professor days in Istanbul. Able to help everybody find a place in the team.

There is a lot more about me that may be interesting, but that is something we can discuss during the interview. For the moment I think these are the most important skills.
