- First Aid
- Safety measures for chemicals

Finance

Marketing

Hello! My name is Julieta Kolodny and I am an independent EN<>ES translator. I've been working as an independent translator since 2020, both independently and as part of a translation agency. My areas of expertise are Health Care, Finance and Marketing. I mainly work with SDL Trados and MemoQ, but I also have experience with other online CAT tools, such as XTM.
