☎ +1 9157746568 ✉ Liamnathanno1@gmail.com 📍 3191 Hastings Street,  
Vancouver, British Columbia, V6C 1B4, Canada

## SUMMARY

I am a highly skilled multilingual professional with 15 years of experience in translation, content creation, and AI training. As a native speaker of Portuguese, Japanese, and Chinese, and highly proficient in English, I bring a versatile skill set to every project. My educational journey includes Tsinghua University High School in Beijing, a Bachelor's degree from Musashino University in Tokyo, and a Master's degree from the University of Algarve in Portugal.

I have a passion for language and linguistics, which has driven me to excel in diverse industries such as medical, legal, technical, and creative sectors. Throughout my career, I have worked with renowned companies, My expertise spans technical translation, content strategy, AI model training, and more.
