AUTOBIOGRAPHY

Hi...~ before I'm Chinese overseas student in Taiwan, my name is Like Julia and my Chinese name is Li Ling-Huang. I'm the second child in my family and I also have one sister and one brother. I spend my Elementary to high school in Indonesia and my university life in Taiwan. This year I'm fresh graduate from Tunghai University Taiwan and my major is International Trade. I had a lot of working and life experience in Taiwan at 4 years my university life, from learn different habit of people which came from different country and how to independent living, working in the different company and different job. I also participated in many University events like: Overseas party, International week, etc... Beside that in my last semester I take

international marketing class when in there I got a Hong Kong teacher when teach me many different lesson like how to make a marketing and administration group project, in this project we must actually sell the product to customer, which the product not already exists in Taiwan, and I'm so glad which I choose this class. I am gentle personality, optimistic, positive, and easy to get along with people, thus building a good relationship. After graduate, I'm working at PT. Novamex Indonesia (Group of Acter Taiwan), in this company I'm working as assistant GM and manage the Indonesian translator. I leave this company in 2016 because of some family reason and need to come back to my hometown. In Palembang, I'm working at Singapore International School as Chinese Teacher. That's all is my experience from university after working, and I will be honored if I would have the chance to get an interview in here. Thank you very much.
