---

## Skills

Copywriting, Translating, Article Writing, Online Game Management

---

## Experience

---

### PT Aplikasi Karya Anak Bangsa (Gojek) / Senior Content Specialist

APRIL 2019- PRESENT, JAKARTA

Under In-app communication team, I am responsible to develop content from ideation to execution on Gojek apps. At first, we produced engaging contents but starting November 2019, my team and I are concentrating on direct-to-transaction contents.

### VICE Indonesia Media / Translator/Writer

OCTOBER 2016 - MARCH 2019, JAKARTA

Main job: translating articles up to 2.500 words a day from English to Indonesia. I also write some articles, mostly around these topics: music, popular culture and badminton.

### Jurnal Karbon / Editor

2016 - 2017, JAKARTA

I edited and uploaded articles during my tenure there. Sure, I wrote articles too (well, there are only two of them). In case you're wondering, Jurnal Karbon is an online journal of contemporary art and urban studies through multidisciplinary approaches.

### Gemscool / Head of Gamemasters

2012 - 2016, JAKARTA

As a sub project manager, my jobless includes daily correspondence with the game developer, online event planning, bug fixing process, update planning etc. While I am it, I can play games all day long.

### Freelance Translator

2006 - Present, JAKARTA

Basically, I translate anything from English to Indonesia to make ends meet from 2016.
