ABOUT ME

I trust in my potential for the position of Translator, I am dedicated, flexible, I love learning and I look for creative solutions for everyday life. My goal is to use all my linguistic experience for the benefit of the company, as well as for my own professional development. I reached the C2 level studying on my own throughout my 37 years, which gave me a concrete basis to work as a teacher for 16 years. Nowadays, I'm studying Modern Languages (Portuguese/English) to specialize and refine my knowledge.

Today as a translator I use my knowledge of ESL and classroom education as specialties. I have experience with some CAT tools such as OmegaT, Smartcat and MemoQ.

I can translate up to 2.000 words a day.

Expertise: ESL, Education, Bilingual
