TEACHER, ATLAS LANGUAGE ACADEMY

I've been teaching English from 2020 up until now in Atlas language academy.

EDUCATION

JANUARY, 2017

BA, URMIA FACULTY OF HUMANITY

Right at this moment, I'm still a student, but at the end of the summer of 2021 I will officially get my BA certificate.

SKILLS

- I passed all of the translation courses (English-Persian and vice-versa) and have the sufficient knowledge for translating.
- I am also a good teacher, if not the best, in teaching English as a foreign language.

ACTIVITIES

Currently I'm a TEFL student in Urmia faculty of humanity and my activities are mostly studying for my BA and hopefully for my MA. I also have 2 TTC certificates. One I achieved almost at the end of 2017 in Andishe Sabz Ehsan international language institute by passing a 3-day course, and the other one that I achieved, I achieved it in November, 2, 2018 in Arya language institute by passing a 2-day course.
