Bachelor's Degree in Design - Limkokwing University Of Creative Technology, 2013

Skills:

Bilingual proficiency in English and Southern Sotho
Creative design expertise coupled with strong language skills
Detail-oriented with a knack for proofreading and editing
Proficiency in translation tools and software
Exceptional written and verbal communication in English and Southern Sotho

Experience:

Graphic Designer - Lesotho Government 2020-2023
As a graphic designer, I embarked on a journey that was not solely visual but linguistic as well. Beyond creating visually engaging materials, I delved into writing reports, meticulously proofreading content, and occasionally assisting with translations. This experience honed my eye for detail and instilled a deep appreciation for the art of language in my work.

Achievements:

Recognized for producing visually striking designs while ensuring linguistic accuracy in written reports.
Commended for effectively integrating proofreading skills to enhance the quality of deliverables.
