PERSONAL PROFILE

As a freelance Burmese Language Linguist, I establish myself as a perfect one by trying to improve my knowledge and experience.

EXPERIENCE

English Language Translator/ Interpreter/ Transcriber/ Proof-reader

ERA Technology Limited

December 2013 – Present

- While completing my thesis as part of my English Master's Degree programme I worked full-time as an interpreter at ERA Technology Limited where I worked translating over 20 novels from Myanmar into English, and English into Myanmar. My translations were then converted into a digital format to assist young language learner.
- In 2014, I moved to Nay Pyi Taw and keep giving translation services as a freelancer. My clients are from different fields and most of the data are update news, company documents, project proposal, yearly reports, banking and finance reports and so on.
- As an interpreter, I give services in interpreting between local people and international organizations at meetings, sightseeing tour and over the phone call etc.
- Currently I am also working as a Burmese Language freelancer at gotransparent.com, oneforma.com and upwork.com. My services include translating the company profile and their products, writing the reports for market research, interpreting between the clients and their customers.

Freelance Transcriber and Team Leader / Trainer

- As a freelance Transcriber, I have good experience in transcribing the audios and videos from social media including Facebook, twitter, tiktok, etc. and company videos for introducing their products and company profile.
- In 2021, September, I worked as a team leader and trainer for tiktok transcription project on TCS Platform and I gave training to 70 transcribers to understand the project guidelines and we kept over 90 % accuracy in every work.
- If you need more transcribers, I can work as a team leader and give training to understand the project guidelines and get high accuracy.

Language Teacher

December 2015 – Present

- I enjoyed teaching English to high school and university students for five years while I was attending university. I continued pursuing my passion for teaching while in Nay Pyi Taw, establishing myself as a Burmese language teacher serving Nay Pyi Taw's expatriate community.
- I took advantage of a gap in the market (no Myanmar language teachers in Nay Pyi Taw) to offer my teaching services to Nay Pyi Taw's growing expatriate community. I give language instruction to over 10 students per-week, preparing lessons plans, developing language learning material.

EDUCATION

Master of Arts, English,

Pathein University, Ayeyarwady Region

June 2012 - May 2013

Bachelor of Arts, (Honours) English

Pathein University, Ayeyarwady Region

December 2006 - September 2011

LANGUAGES

- Burmese language is my mother language and I have always wished to speak English like it was my native language. I used English language every day, since 2013, for translating documents from English to Burmese vice versa and teaching Burmese language expatriate workers attached to government ministries and the parliament in Nay Pyi Taw.
