

Noor Mubarak

Profile

I am a driven and ambitious undergraduate student studying Multimedia Communication and Journalism with a minor in Economics. I have consistently demonstrated my dedication to academic excellence while actively engaging in extracurricular activities. I am excited to leverage my skills and experience to pursue a career in the dynamic and ever-evolving field of communications.

Employment History

owner at online businesses

May 2020 — December 2022

I have launched two successful online businesses from scratch - an online bakery and a glass painting store. Through these ventures, I developed strong entrepreneurial skills, including product development, sales, and marketing.

Education

American university in Cairo (AUC)

September 2020 — June 2024

I am an undergraduate student studying Multimedia Communication and Journalism with a minor in Economics, and a GPA of 3.3/4.0

Extra-curricular activities

member at Student Union

September 2021 — May 2023

Beyond my entrepreneurial pursuits, I am also an active participant in various co-curricular activities. I was a member of the student union entity "Student Social Responsibility," where I gained experience working with people with disabilities and organizing events for the community. I have also worked on the front stage of concerts, where I developed excellent communication and teamwork skills while ensuring a seamless experience for performers and attendees. With my diverse background and experiences, I am confident in my ability to excel in any setting and make meaningful contributions to any team or organization.
