Work Experience

Writer, Reporter

Al Arabiya News Channel

2018 – Present Dubai, UAE

- ◆ Great knowledge in US politics
- ◆ Responsible for most of the 2020 elections coverage on Al Arabiya + inauguration day coverage on January 20th
- ◆ Able to work in stressful conditions (ie breaking news)
- ◆ Able to translate all kinds of articles (politics, biology, etc) from English/French to Arabic and vice versa.

Freelance Translator

Science & Ink

2016 - 2017 Beirut, Lebanon

Science & Ink is a Beirut-based communication company. I had a regular flow of articles for translation (PowerPoint presentations, PDFs and Word Documents), mainly in policy, business and strategy topics.

There was a constant volume of work on a regular basis, and I was able to complete the jobs on a short notice.

Translator and Video Transcript Specialist

TNS (Global Market Research)

2015-2017 Beirut, Lebanon

Provided English translation for videos spoken in Arabic, most of which included study groups and reviews for popular products in the gulf, often with up to 5 people speaking all at once.
