Objective

To deliver professional level translations in a swift and accurate manner.

Experience

- **UNFPA (Reproductive Health Program)** 2012 - 2013
Mobile Doctor
As a mobile medical officer, my duties were:
 - to give health education for patients
 - to get history and to make physical examinations
 - to offer prenatal, perinatal and postnatal cares
 - to administer medications and treatments.
- **Self-employed** 2012 - 2021
General Practitioner
I operated and managed my own clinic as a general practitioner.
- **Self-employed** 2015 - Now
Freelance Translator
As a freelance translator, I have successfully completed hundreds of projects and translated more than one million words so far.

My career objectives are:

- to deliver professional level translations for my clients
- to edit/proofread documents to perfection
- to be ethical
- to offer swift and accurate translations.

I am currently offering the following services:

- translation (English - Burmese - English)
- editing/proofreading (Burmese only)
- transcription (Burmese only)
- subtitling and time-coding (English and Burmese).

I usually cover most of the topics but general, medical and technical contents are my expertise.

Education

- **University of Medicine, Magway** 2012
M.B.,B.S (Mgy)

Skills

- Translation
- Editing/Proofreading
- Transcription
- Subtitling
