EMMANUEL OLUWATOBILOBA

PROFESSSIONAL TRANSLATOR

As a skilled German translator, I'm really good at understanding both German and another language. I also understand the differences in cultures and how languages work. My job isn't just about changing words from one language to another. It's about making sure the meaning and feeling of the original text stay the same when it's translated.

I'm good at translating different kinds of things like books, business documents, legal papers, technical manuals, and more. I've learned a lot through studying and practice, so I can handle difficult texts well.

I use special computer tools to help me translate faster and more accurately. These tools help me keep track of words and phrases I've translated before, so everything stays consistent.

I always make sure to research and learn new things so my translations are up to date and correct. I'm good at managing my time and working with others to make sure projects get done on time.

Most importantly, I understand how important it is to keep the meaning and feeling of the original text while translating it into another language. Whether it's a story, a legal document, a marketing message, or instructions, I make sure the translated version is just as clear and meaningful as the original.

In short, as a skilled German translator, I'm great at understanding languages and cultures, using technology to translate efficiently, and making sure the translated text is accurate and meaningful for its audience.

EXPERIENCE

SALES MANAGER
Glass Plain 2018 - 2020

- My focus is always on understanding the needs and preferences of customers.
- I don't just sell products or services; I provide tailored solutions that address the specific pain points of each customer.
- Communication is fundamental in sales, and I excel at it. Whether it's delivering compelling sales pitches, negotiating terms, or resolving customer concerns, I communicate with clarity, confidence, and professionalism.
- I believe in the importance of ongoing learning and self-improvement. I stay updated on industry trends, attend training sessions, and seek feedback to enhance my skills and knowledge continuously.

SENIOR TRANSLATOR
CAPS MART 2020 - 2022

- I play a pivotal role in ensuring the quality and consistency of translations within my team or organization.
- With years of experience specializing in specific industries or subject areas, I possess in-depth knowledge and terminology expertise that few can match. Whether it's legal, medical, technical, or literary translation, my deep understanding of the subject matter enables me to deliver accurate and nuanced translations.
- I leverage cutting-edge translation tools and technology to streamline workflows, improve efficiency, and enhance translation quality.
- I recognize the importance of cultural nuances in translation and adapt my approach accordingly. With a deep appreciation for diverse cultures and languages, I ensure that translations resonate with the target audience while respecting cultural sensitivities and linguistic conventions.

PROJECT MANGAGER
Kick World 2022 - 2024

- I possess a strategic mindset that allows me to envision the big picture and align project objectives with organizational goals.
- I excel in adaptive leadership, tailoring my approach to suit the unique needs and dynamics of each project team.
- I thrive in challenging situations and excel at finding creative solutions to complex problems.
- I excel in articulating project goals, expectations, and updates to stakeholders, fostering open dialogue, and ensuring alignment throughout the project lifecycle.
- I embrace agile methodologies and principles, enabling me to adapt quickly to changing project requirements and deliver value iteratively.
