

PEACEMAKER OGOKE

All kind of igbo, pidgin Translation, Transcription, Microsoft word, Proofreader, and more.

My name is Peacemaker, A. K. A. Igbotic. I was given that name some years ago after my ability was tested in igbo language. Besides that, I am born and brought up in igbo land. There are hundreds of igbo consent, each state around the South Eastern Part of Nigeria have different dialects/Idiolects of igbo language. Happily, I was raised at the state , more than just the state, an area known for speaking the central igbo. I have also been an igbo teacher. Above all, I am a God-fearing man with bible trained conscience.

Experience

Igbo Teacher Oct 2017-Sep2019

For some time, I conducted igbo lessons as a staff, privately and have helped alot of people curious in understanding some things in Igbo. I also love Pidgin language with passion, and use it almost everyday. I'm not afraid of igbo, because I know with divine support, I will dominate it under my foot.

Igbo/Pidgin Translation, Transcriber.

Languages often change, so igbo language have often changed over the years, I translate with the most recent tongue, and I'm a researcher too.

How far I have gone

I have translated thousands of words to igbo, seeing my work, I was invited to proofread other igbo translations. I try to meet up with deadline, enters translation as if mine . I follow instructions as No:1 priority. I'm available part-time or full-time.
