

Paulo Santos

Translator | Video editor

With over two decades of expertise as a writer, translator, and video editor, I have worked with brands such as Disney, Marvel, and National Geographic to create original content for a variety of media platforms.

Experience

Translator – *National Geographic* (natgeo.pt)

December 2018 – October 2022

Translation of stories and news covering topics ranging from *Science, Technology, and the Environment* to *Culture, History, and Travel*. Editing and proofreading.

Writer / Translator / Video Editor – *Goody SA* (publisher)

February 2002 – November 2018

Responsible for reviews and articles for *Maxi Consolas* and *BGamer* (the biggest videogame magazine in Portugal) and worldwide interviews of key figures in the gaming industry.

Writing and translation for magazines such as *PSM3*, *The Official Xbox Magazine*, and others. Design and production of the CD-ROMs and DVDs included in the company's magazines.

Production of multimedia resources (corporate videos, video reviews, infographic videos, and TV spots). Translation and subtitling.
