Experience

Professional Translator | MONISA ENTERPRISE (2022-2024)

Spearheaded translation projects on AI Training, ensuring linguistic accuracy and cultural relevance across multiple languages. Collaborated closely with international clients, delivering high-quality translations within strict deadlines. Contributed to the company's reputation for excellence in language services.

AI TRANSLATOR | GINGER PAPAYA | 2020 - 2023

Cross-check and compare MT responses to give the correct translation for each source language. Managed translation projects for legal documents, guaranteeing precision and adherence to industry standards. Facilitated effective communication between clients and translation team, ensuring smooth project execution. Played a key role in maintaining client satisfaction and fostering long-term relationships.

Translation Specialist | Waverly Labs, New York, USA (2018-2021)

Utilized cutting-edge AI interpretation technology to provide real-time language solutions for live events and conferences. Ensured accurate and reliable translations, enhancing participant experience and facilitating seamless communication across language barriers. Contributed to the company's reputation as a leader in innovative language solutions.
